## Product Description

- The Charles Rennie Mackintosh Earrings Collection

Sterling silver with additional Cairn TM "Rhodium" tarnish resistance treatment so your product will remain bright and fresh and you won't have to spend time doing the tedious job of cleaning and polishing.

Manufactured in the United Kingdom. Your assurance of a British quality product where standards and materials have not been compromised.

Additional rhodium plating to stay bright and resist tarnishing.

Dedicated jewellery presentation box included. Delivered fast from stock.

Height: 35mm (1.35") Width: 9mm (0.35")

Lovely Art Nouveau British earrings.

Cairn stands behind its products with an unconditional manufacturer's defect full one year guarantee by repairing or replacing any product with no cost to the customer. With its unique style and quality, Charles Rennie Mackintosh Jewellery by Cairn celebrates natural form today as in days gone by. The leaders in their field, it is this legacy that has inspired Cairn's gorgeous range of fine sterling silver and gold jewellery.
